

GDPR Statement

Following the GDPR legislation, passed by the EU as of May 25th, 2018, we are obligated to inform our business relations of our treatment, use, and storage of personal data.

We treat all personal information with respect and confidentiality.

We are processing the following categories:

- Name and title
- Company name and information
- E-mail address
- Phone/FAX number
- Payment details (bank account etc.) and CVR/VAT/Company registration number

We process this data to maintain our contact index with the purpose of being able to communicate relevant information to our suppliers and clients, and to be able to provide good service to these groups.

Should one wish us to NOT process and/or keep our contact index updated with one's particular personal data, we ask for relevant inquiry as soon as possible.

If there are any questions for the above statement, please feel free to contact us at info@uptimate.dk
